Why schedule a planned service?

Your gas appliances will run more efficiently and keep you comfortable at home when you provide regular maintenance. One of the best ways to help avoid “no heat or no hot water” situations is to prevent them from occurring. Sunshine Propane is highly qualified to maintain all of your propane-fired equipment. Scheduling regular, Summer/Autumn-time maintenance will help prevent inconvenient outages in the winter-time. Don't delay.

Cooking With Gas

'Rick's Quick BBQ Turkey'

- 16# organic free range (opt) turkey
- Cut turkey in half lengthwise
- Wash, pat dry and butter all sides
- Add poultry season liberally
- Placed down in buttered cookie sheet with loose foil tent cover
- Heat BBQ to 325 deg. with a large hickory chip for added flavor
- Cook for 2 hrs baste in own juices
- Let cool for 10 min. and serve

'Federal Tax Credits up to \$1500' There is still time left!

Homeowners who purchase and install a qualifying water heater or boiler between now and Dec. 31, 2010 will be eligible for a tax credit equal to 30% of the full purchase and installation price up to a max of \$1500. Come by or call for a free site visit to see what products will work for you.
